

Licensed Outpatient Therapist

Balanced Living Counseling Center

Job Title: Licensed Outpatient Therapist

Balanced Living is a growing group private practice with offices in Dalton, Rome and Hiram. Our mission is to provide respectful and competent client care while building strong, meaningful connections. We value building relationships within our community and helping our clients do the same. It's also a hallmark of our business to promote productive, lasting bonds within our team and to work collaboratively both in the office and out in the community. We offer a supportive environment for our employees, with an emphasis on continued professional growth. Many of our therapists are trained in EMDR and DBT.

Position Description:

The outpatient therapist will provide culturally competent mental health services to individuals, couples and families who are experiencing varying levels of difficulties due to life situations or mental health concerns. We serve children, adolescents, and adults.

Major Areas of Responsibility:

- Provide high quality, compassionate and ethical outpatient mental health therapy to clients as scheduled.
- Complete clinical documentation within 72 hours of date of service.
- Actively participate as a positive member of the clinical environment, we value consultation and the open door policy applies to all of us.
- Maintain good standing with the appropriate board and insurance entities. • Complete all recommended continuing education requirements
- Stay current with updated research and best practices.
- Be aware of community referral sources and refer when necessary.
- Secure client information per HIPAA standards.
- Maintain case files within electronic health records (EHR).
- Perform other duties as assigned (including but not limited to completion of Short term disability and FMLA forms, and participating in case consultation meetings).

Required Knowledge, Skills and Ability:

- Skill in applying varied interventions with individuals/families in crisis
- Skill in working with a variety of cultures

- Skill in working independently and implementing time management strategies
- Be in good standing with the GA Composite Board
- Ability to provide necessary self-care
- Ability to demonstrate positive team interactions with other clinic staff
- Awareness of personal strengths and appropriate timing for referrals

Education and Experience:

- A masters or doctoral degree in a mental health-related field
- Licensed in the State of Georgia, as an APC/LPC, LMSW/LCSW, LMFT, or Psychologist
- Balanced Living can provide supervision and support for pre-licensed therapists

Compensation structure:

We are offering \$47/ session for fully licensed clinicians. Full time is defined as 50 completed sessions biweekly (or at least 5 clients per day). We offer a \$50/month stipend for Aflac and opportunities for low cost CE quarterly, as well as a flexible schedule including an option to work one day per week Telemental health, if that is something that is desired. At this point we are only hiring full time staff.

Pre-Licensed clinician will be considered as we can offer a learning environment and both Social Work and LPC supervision included in employment. We offer a \$30/ completed session rate for pre-licensed clinicians as well as the opportunity to participate in low cost CE training quarterly.

If you think that Balanced Living may be the place for your to land and if you are curious to discuss this match further, please contact our Clinical Director, Shannon Mathis
